

Dimitri Borchtch appointed Vice-President Finance

Valence, January 6, 2020, 5:45 pm CET – Amplitude Surgical (ISIN: FR0012789667, Ticker: AMPLI, eligible for PEA-PME plans) (“**Amplitude**” or the “**Group**”), a leading French player on the global surgical technology market for lower-limb orthopedics, today announces the appointment of Dimitri Borchtch as Vice-President Finance, effective January immediately.

Dimitri Borchtch will replace Philippe Garcia, who joined Amplitude Surgical in November 2010 and has made a substantial contribution to the Group’s strong profitable growth momentum, notably by enabling annual sales to climb to almost €103 million, versus €36.7 million in 2009-10.

Dimitri Borchtch (42 years) has a master’s degree in Chemical Engineering from the *École Nationale Supérieure de Chimie* chemical science school in Paris (2001) and obtained an MBA from the INSEAD business school in 2007.

Dimitri Borchtch began his career in financial auditing at Arthur Andersen and then at Ernst & Young in the Transaction Advisory Services department. From 2007 to 2010, within the same department, he was promoted to Senior Manager. In March 2011, Dimitri Borchtch was appointed Head of the Circular Economy Investment Program at ADEME (the French Environment & Energy Management Agency) to carry out investments on behalf of the State in innovative environmental industrial projects. In 2012, Dimitri Borchtch joined Eight Advisory’s Lyon office as Director of the Transaction Support department, in line with his experience at Ernst & Young – he notably undertook Due Diligence assignments within the framework of corporate acquisitions or sell-off.

In 2013, Dimitri Borchtch was appointed CFO of OXXO Evolution, a company specializing in customized windows and doors manufacturing. Since October 2015, Dimitri Borchtch has been CFO of the Redspher group, which specializes in transport and emergency logistics for the pan-European market. The expertise and substantial financial experience he had acquired in his previous jobs were major assets for the Redspher group’s strong growth.

Olivier Jallabert, the Group’s Chairman and CEO, says: *“We are delighted to welcome Dimitri Borchtch who, by my side, will hold a key position within the Group’s executive team. His diverse experience and assets will be decisive in supporting and reaffirming our medium- and long-term growth momentum. I would like to sincerely thank Philippe Garcia for his contribution and devotion to Amplitude Surgical for almost nine years; his skills have been invaluable and pivotal to the international deployment of our activities, notably in the United States, and to the improvement of the Company’s operational efficiency. We wish him every success in his future endeavors”.*

Dimitri Borchtch, the Group’s new Vice-President Finance, adds: *“I would like to thank the Amplitude Surgical team for the trust they have put in me through this appointment. Within the framework of my new duties, I will strive to continue the work accomplished by my predecessor and I am committed to achieving the growth targets set for the coming years and to strengthening the positioning of this Group that has considerable potential on its market”.*

Next financial press release: H1 2019-20 sales: Thursday February 20, 2020, after market.

About Amplitude Surgical

Founded in 1997 in Valence, France, Amplitude Surgical is a leading French player on the global surgical technology market for lower-limb orthopedics. Amplitude Surgical develops and markets high-end products for orthopedic surgery covering the main disorders affecting the hip, knee and extremities, and notably foot and ankle surgery. Amplitude Surgical develops, in close collaboration with surgeons, numerous high value-added innovations in order to best meet the needs of patients, surgeons and healthcare facilities. A leading player in France, Amplitude Surgical is developing abroad through its subsidiaries and a network of exclusive distributors and agents distributing its products in more than 30 countries. Amplitude Surgical operates on the lower-limb market through the intermediary of its Novastep subsidiaries in France and the United States. At June 30, 2019, Amplitude Surgical had a workforce of 436 employees and recorded sales of c.103 million euros.
